

'Merican Cheeze By Big T and the Oaktones

Intro: C D C G G

Verse 1:

                  G                  C                  D                  D  
There's a symbol of this country near and dear to my heart  
          G                  C                  D                  D  
It's individually wrapped and it's easy to get apart  
          C                  D                  G                                  Em  
The color's orangieyellow, It's sized for sliced white bread  
          C                  D                  C                                  G  
That's how 'Mericans make a sandwich, the way our good lord said

Chorus:

                  G                  C                  D7                  G  
'Merican cheeze is all we need, strong in virtue, we never mislead  
          G                  C                  D7                  G  
'Merican cheeze good nuf' for us. We rule the world without a fuss

Verse 2:

                  G                  C                  D                  D  
Don't want no silly Brie, Camembert ain't gonna work  
          G                  C                  D                  D  
Their way too strange for me and I hate that Frenchy smirk  
          C                  D                  G                  Em  
I use a simple cheese, that's made for simple folk  
          C                  D                  C                  G  
That stinky moldy foreign stuff just makes me want to choke

Lead: G C D7 G, G C D7 G

Bridge:

Smooth and plain, no surprises;  
always the same in McDonalds super sizes

Verse 3:

Wisconsin makes our Swiss, Chicago keeps us ham'ed  
Those Liberal Euros afraid to fight, their cheese can all be damed  
'Merica's got your Colby cheese, We also got your Brick,  
Ruled first time in history by an un-elected (YOUR WORD HERE)

Chorus:

'Merican cheeze is all we need, strong in virtue, we never mislead  
'Merican cheeze good nuf' for us. We rule the world without a fuss

Chorus:

'Merican cheeze is all we need, strong in virtue, we never mislead  
'Merican cheeze good nuf' for us. We rule the world without a fuss
